Katun toner cartridge rebuild kits are a sensible, responsible way for you to save money and help preserve this delicate world we share.

You can achieve substantial cost savings while reducing the amount of waste, in the form of large toner cartridges, you would otherwise send to landfills or pay to have removed.

Katun Black Toner Refill Kits

for use in Sharp AR M350/M450-Series Digital Copier/Printers and Sharp AR 235/275/5127 Series Digital Copier/Printers

Katun PNs: 45023650, 45023651

Count on reliable performance and state-of-the-art technology with these cost-effective toner rebuild kits for Sharp digital copiers/printers.

Circuit Chip Technology

This toner kit provides OEM-equivalent toner performance and features a circuit chip that integrates and communicates with the copier monitoring system, enabling you to rebuild the toner cartridge with complete confidence.

Outstanding Cost Savings

By purchasing this competitively priced alternative for these Segment 2, 3 and 4 DC/Ps, you can rebuild OEM toner cartridges at significantly reduced cost versus purchasing new OEM cartridges.

Total Convenience

Clear and precise instructions enable quick and accurate rebuilding, ensuring stable performance and significant cost savings. Average cartridge rebuild time is 15 minutes or less.

Although these toner refill kits offer savings and benefits to the environment, we do understand that new cartridges are also essential to your business. We have recently developed two new high-quality toner products to meet those needs.

Katun Toner Cartridge

for use in Sharp AR 151 Series* Digital Copier/Printers

Katun PN: 45023650

State-of-the-art technology delivers reliable performance and considerable cost savings!

This new-build cartridge utilizes all new components and a circuit chip that integrates and communicates with the copier monitoring system. From toner yield to physical properties to copy quality metrics, Katun and supplier test results confirm the toner performance is OEM-equivalent. This, in conjunction with our globally universal cartridge design and circuit chip, makes your decision to save money even easier. Like other Katun Performance products, the combination of high quality, reliable performance, and competitive pricing make these Katun toner cartridges your best overall value.

*For use in Sharp models: AR F 152, AR 122E, AR 122 E N, AR 122 EN, AR 123 E, AR 151, AR 152 E, AR 152 E N, AR 153 E, AR 153 E N, AR 156, AR 157 E, AR 157E N, AR 168 D, and AR 168S.

Katun Black Toner

for use in Sharp AR 651/810 Series Digital Copier/Printers

Katun PN: 45023561

Katun Performance toner provides industry-leading product performance, and the best value for you and end-user customers.

Katun brand copier toners and developers undergo rigorous evaluation and ongoing quality assurance to ensure they provide excellent performance and absolute dependability. Our copier toners provide OEM-equivalent or better copy quality, fusing performance, and yields. In addition, Katun copier toners provide you with a wide range of opportunities to maximize your supplies profits.

Katun has many other toner cartridges and refill kits available for Sharp applications. Visit the Katun Online Catalogue at
